COMPENSO AND BOUGH PLAY.

be concurred in it mysolf Playing at full back, a very speedy three-quarter had got clear, and come sprinting along the touch-line at his best page, with the full brok doing his level best ported to have been concluded between Great to bore him into touch, or tackle him should Britain and France is now published. It defines he swerve. We met full titt and with something of a hang. Down we went, the threeshudder) could be heard all over the ground. The poor fellow, generously acquitting his opponent of all blame, was carried off the field on a hurdle, regard to the other questions at issue between and the match speedily terminated. In some thing like, twelve or fourteen years of active participation in the game, under both sets of rules, this was the only serious accident in which I was concerned. And this certainly was not roughness. I once saw a goalkeeper's leg broken said that extensive additions to the navy were by an opponent, who kicked at the ball just as it was being picked up, and missing the ball inflicted an scoidental kick on the keeper's shin. Again the impact could be heard distinctly all over the ground. This was not roughness-it was purely socidental. A Rotherham player cotton duties in Indis. Mr. Asquith declared last season had his log fractured an the most that' the step taken was essential for the simple fashion, his own and an opponent's chinprossing in a tackle, which looked to be as quiet general estimation. In Tokyo they are vegarded and, as England held India in trust for the as one could wish. But here again, no one could hears of a player's nose being " put out of joint," but even this singular socident has happened to a player who went for the gealkeeper rather too vigorously. This latter instance, perhaps, was the only one where a charge of undue roughness could be sustained, and I am bound to admit that "the rush " was too pronounced But, after all, accidents of any sertonsness are really very infrequent, which says a good deal for the wise legislation of those who have the welfare o

> This is an age of records without a doubt, and the few I give below may be of interest to those for fiveatching. During a visit to the Antiof the doings thus records "W. G.'s" feat :---"The distinguishing feature of this match was the visitation of a plugge of flies on a tour from-Egypt. Before leaving the ground, W. G. bad occasion to go back to the breakfast room, and found the table perfectly black and covered with them. He has a good-sized hand, as some propleknow. Swoop! and he caught 79 first try! Fact. -taken from the Diary." For qual-eating, W. 3. Walcott, of New York City, holds the record, he having early in 1883; ate two quaits daily between the hours of 4 and 5 o'clook p.m., for 30 consecutive days. We are afforded the extra... information that he was showed the use of pepsin, gastrine, etc. More extraordinary, probably, as a gastronomical feat, was that of Charles Pearsall (New York City), who accomplished. for a wager, the task of eating 30 boiled eggs each morning and afternoon, for six consecutive days, in April, 1884. In quoiting the Scot, Willam McGregor, stands first, having played 25 ringers in 11 minutes 50 seconds, 50 in 43 minutes. At skittling England well to the fore. James Garwood and E. Hubbard are the champions or record-holdders at this essentially rural amusement. former's best feats are: -Siuck up knocked down 78 full frames in 30 mi-It is in connection with these contests that nutes, 100 frames in 37 minutes 55 se-

The walls round several public institutions in man opposite him, and deliberately tried to kick Germany are, says W. L. Burgess, of New him on the head. Fortunately the Yale man Haven, constructed of cast-iron bricks. These dedged, or the Princeton men might to-day have brick . it seems, have many advantages over been in a gaol. Jumping with both knees on a clay bricks, though they may not prove to be man's face appeared to be a favourite amusement superior in all respects. In form and size they among the players, and frequently men stopped resemble ordinary bricks, but they are comto kick one another's shins when the ball was in posed of cast iron and hollow. The shell is so another part of the field. Watkinson, of Yale, thin that the brick weighs less than one made of got his tinger broken during this half, but re- alsy. A well is built of such material without the use of mortar, and no skilled labour is required in laying them. The upper and the lower sides of the bricks are provided with ton giant, Cowan, who apparently revelled in the grooves and projecting ribs, which fit into each tumult, Yale won the championship for that year other easily and perfectly and thus, it is stated,

The Vancouver World remarks that the late the conclusion of the contest, young men R. L. Stevenson's marriage was as romantic as wearing the colours of Princeton and Yale auy tale he ever told. Lloyd Osbourne, who asthronged the streets, and the botel ber-rooms, sisted him in writing two of his stories, was and other public places, and began indulging the son of his wife by a former marriage, and heavily in liquor and beer. A fight was started when Mrs. Osbourne became Mrs Stevenson in the bar-room of the Nassau tlotel, which she was recently divorced from her husticipants. The proprietor of the hotel turned boorne had been married in Indiana in 1868. Green, jun., of the Class 85 of Princeton, was saved. Mr. Osbourne put his money in a mine, knocked down by a hackman, who jumped upon him, and broke one of his arms in two places.

Several Princeton students attacked a Yalo student in the depot, but were quieted down would not fetch a dollar. Osbourne with his before anyone was hert." There is some little family then went to San Francisco, and ha ground for the belief that this was an exceptionally bitter fight, but things even in 1894 are tionally bitter fight, but things even in 1894 are really very little better, and reflect the greatest discredit on all who assist in these "sporting" and fell in love with him. Returning to Ban matches. It was only the other day that the Roome Heisen and fell in love with him. Returning to Ban matches. It was only the other day that the Roome Heisen and fell in love with him. Rugby Union sent round an intimation to several rangements were at once made for her marwell-known players that, owing to their con- riage with Stevenson. Osbourne was invited duct in the streets of a south-western city, on the wedding and accepted. On the appointed the occasion of a big match, their services would day he presented bimself in faultiers attire not be required in a certain fixture for which with a lady on his arm, whom he introduced as should read as follows, as per correction received figured against the Italians by several French. they had been selected. I believe there was some kind of " Mchawkism" indulged in by a been quietly married as soon as ine divorce was few of the "spirits," but compared with the granted. Some newspaper stories have declared students in the States their conduct could only that the divorce broke Onbourne's heart, but his prompt second marriage hardly bears out the story. In any event, it is known that The very wholesome regulations of the govern. as Mrs. Stevenson took up their ing bodies of both codes of football have mini- abode in Samos, so Mr. and Mrs Osbourne took The tramear employee of Brooklyn have gone mised very largely the liability of serious up theirs in Australia.
